Subject: CLEAN AND GREEN PAKISTAN MOVEMENT

As you may be aware that the Prime Minister of Pakistan has launched the "Clean and Green Pakistan Movement" today dated 8th October 2018 alongwith Chief Ministers and Provincial Ministers.

2. I am writing with reference to the earlier d.o. letter No 2(5)/2018-WES.CGP/CC dated 5th October 2018 (copy enclosed) duly written by Secretary, Ministry of Climate Change, regarding active participation of all Provincial departments in the Movement on 13th October 2018 and onwards through engagement of all related institutions in their jurisdiction. Since Clean and Green Pakistan Movement will continue at all levels, it is therefore required that a plan of action of type of activities alongwith places be submitted to the Prime Minister's Office. Regular reporting of activities be brought to the notice of all concerned and acknowledged. A reporting format is attached with a request to plan activities and forward their progress to the Prime Minister's office on monthly basis.

3. Higher Education Commission can play a pivotal role in the movement. It is requested that activities be planned for each University and the details of these activities be reported on a regular basis to the Prime Minister's Office.
