

# Karakoram International University

## Gilgit - Baltistan

# Annual Report

July 2022-June 2023

Office of the Vice Chancellor  
Main Campus Gilgit  
August 2023

[www.kiu.edu.pk](http://www.kiu.edu.pk)

**Karakoram International University**  
**Established under Presidential Order in 2002 as Gate way to mountain knowledge**  
**located at the confluence of Hunza and Gilgit Rivers in Himalaya Karakoram**  
**Hindukush (HKH) region**

**Forward:**

This annual report for the year 2022-23 gives an overview of the endeavors of the KIU team of Statutory bodies, faculty, staff and students. This year KIU touched new heights of internationalization in its education and research by collaborating with international partners around the world. The research productivity of the University increased in terms of research publications and hunting research projects from various sponsors and funding agency. Quality has been the major focus and accreditation of programs have been enhanced, quality framework for teaching, learning and assessment has been developed with the support of the Aga Khan University, Higher Education Commissions of Pakistan and other major stakeholders. The students' activities have been accelerated through their active engagements. The physical and technological infrastructure have been improved. The Business Incubation Centre has become a source of inspiration for the students and youth for self-employment & entrepreneurship. The sub campuses also tried to improve their revenue and reduce their deficit but it still remains an uphill task. The support from KIU Senate, Syndicate and other bodies helped in resolving the issues in expedited manner.

The financial challenges of KIU remained the major obstacles and a deficit of Rs 118 Million was faced due to increase in the operational budget and no proportionate increase in the federal Government through HEC. The lack of support from Gilgit Baltistan Government and loss from the operations of external Exam, the deficit in revenue and expenditure widened. The next year is becoming more challenging in view of increase in the employees related expenses by more 25%, resulting in increase of total operational budget to Rs. 1550 Million, This seems much bigger challenge in times to come. KIU has started active engagements with the various stakeholders for their support on one hand and curtail its non-salary expenses on the other hand, to reduce the deficit. We expect and pray that generous support will be available from all stakeholders to address these challenges and provide sustainable quality and research opportunities to about 10,000 youth of the region-In Sha Allah.

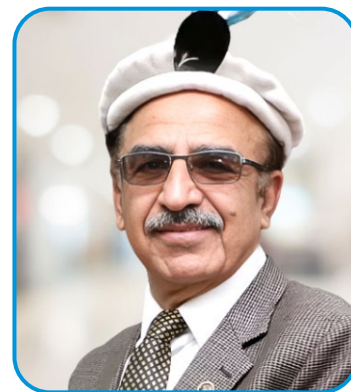

**VISION**

The Karakoram International University endeavors to become a leading institution of higher learning, meaningfully contributing to sustainable development, promoting knowledge economies and pluralistic societies in the mountainous regions of Pakistan and geographically similar landscapes elsewhere.

**MISSION**

- Offering Quality academic programs in line with the local, regional & global demands
- Attracting & nurturing high-quality minds to address the contemporary challenges through dissemination & generation of high-quality knowledge & cutting edge research
- Promoting & conserving the indigenous values and creating social & ethical responsibility
- Endeavoring to become financially sustainable; through commercialization of Research and Development (R&D)

## 1. VICE CHANCELLOR'S STRATEGIC PRIORITIES:

- **Quality Enhancement:** Improving **the quality and standards** of all programs, processes and procedures continuously to meet the demands and expectations of peer, sponsors and employers
- **Research: Fostering research culture:** High focus on the challenges posed by Mountainous region of GB through indigenous research and development.
- **Engineering and Tech Education:** Connecting the region with CPEC and other opportunities through Engineering & Technology education and research
- Strengthening the **including physical and technological infrastructure** to provide quality education and better services to students and staff.
- Establishing and Developing **new departments and programs based on market demands** and employers 'expectations, with special reference to emerging needs and demands under CPEC
- **Financial Sustainability through diversification of Revenue through revenue diversification**
- Improving and strengthening the **Students and Employees Support Services,**
- **Collaboration** with national and international organizations, industry and businesses
- Real-time **career counseling** and mentoring including Students' internship, placement with strong relations with **KIU Alumni-Kamyab Jawan Markaz**

## 2. Governance and Meetings of the Statutory Bodies

The statutory Bodies of KIU provide their support and direction to the University through collective wisdom. These bodies include Senate, Syndicate, Academic Council and Graduate Research Monitoring Committee. During 2022-23, the frequency of meetings of these bodies have been increased to address the challenges in timely manner. The details of these meetings are given as below:

Statutory Body	Meetings and Dates	
Senate KIU	20 <sup>th</sup> Meeting July 2022 21 <sup>st</sup> Meeting Dec 2022 22 <sup>nd</sup> Meeting March 2022	 <p>گفت: داس چائرسر KIU پروفیسر ڈاکٹر عطا اللہ شاہ سیٹ کیٹ کے اجلاس کی صدارت کر رہے ہیں۔</p>
Syndicate KIU	51 <sup>st</sup> Meeting Sep 2022 52 <sup>nd</sup> Meeting Dec 2022 53 <sup>rd</sup> Meeting Feb 2023 54 <sup>th</sup> Meeting May 2023	 <p>گفت: داس چائرسر KIU پروفیسر ڈاکٹر عطا اللہ شاہ جو تیسری سیٹ کیٹ کی 52 ویں اجلاس کی صدارت کر رہے ہیں۔</p>  <p>گفت: داس چائرسر KIU پروفیسر ڈاکٹر عطا اللہ شاہ جو تیسری سیٹ کیٹ کے 55 ویں اجلاس کی صدارت کر رہے ہیں۔</p>
Academic Council	UTRC meeting Aug 2022 35 <sup>th</sup> Meeting Sep 2022 36 <sup>th</sup> Meeting Jan 2023 UTRC meeting Feb 2023	 <p>گفت: داس چائرسر KIU پروفیسر ڈاکٹر عطا اللہ شاہ ایکسٹرنل کمیٹی کی اجلاس کی صدارت کر رہے ہیں۔</p>
Graduate Research Monitoring Committee	33 <sup>rd</sup> Meeting June 2023 32 <sup>nd</sup> Meeting Oct 2022	 <p>گفت: داس چائرسر KIU پروفیسر ڈاکٹر عطا اللہ شاہ UTRC کی صدارت کر رہے ہیں۔</p>
Finance. Planning & Development Committee (FP&DC)	26 <sup>th</sup> Meeting Sep 2022	 <p>گفت: داس چائرسر KIU پروفیسر ڈاکٹر عطا اللہ شاہ داس چائرسر کی صدارت کر رہے ہیں۔</p>

### 3. Academics

The Directorate of Academic Planning and Review (DAPR) remained highly engaged with planning, monitoring and evaluation/review of the academic endeavors at KIU main campus and sub campuses.

The Academic Council convened 02 meetings during the academic year (July 2022 to June 2023), addressing critical matters related to curriculum development, policy updates, and academic standards. Discussions during these meetings contributed to the enhancement of academic programs and the overall quality of education.

#### Annual Report: Directorate of Academics (July 2022 - June 2023)

This Annual Report focuses on the key activities of the Directorate of Academics including Academic Council Meetings, July 2022 to June 2023. The report provides a detailed account of meetings, academic calendar approvals from the Academic Planning & Review, faculty workload management and the UTRC meetings for TTS faculty.

#### Academic Council Meetings:

The Academic Council convened 02 meetings during the academic year (July 2022 to June 2023), addressing critical matters related to curriculum development, policy updates, and academic standards. Discussions during these meetings contributed to the enhancement of academic programs and the overall quality of education.

S.No	Academic Council Meeting No	Date	Details
01	35 <sup>th</sup> Academic Council Meeting	September 22, 2022	
02	36 <sup>th</sup> Academic Council Meeting	January 19, 2023	(Hybrid model)

The Academic Council assumed a crucial role in a thorough examination and endorsement of academic programs throughout the reporting period. Stringent evaluations were undertaken to guarantee the harmonization of program curricula with the evolving demands of industry and prevailing academic standards.

#### Academic Programs Approved (July 2022 - June 2023):

S.No	Program Name	Approval Date	Approved by
1.	Associate Degree Programs (ADP) 2-year in all affiliated government/ private colleges and sub campuses.	September 22, 2022	35th Academic Council
2.	Digital Skills courses. 1. Freelancing 2. Digital literacy 3. Communication & Soft skills	September 22, 2022	35th Academic Council
3.	Blended Learning based Certificate /diploma/Degree Programs for Fall 2022. •B. Ed (1.5 Years) •SPSS (Descriptive statistics) •SPSS (Inferential statistics)	September 22, 2022	35th Academic Council

S.No	Program Name	Approval Date	Approved by
4.	<ul style="list-style-type: none"> <li>•Chinese language Course</li> <li>•Project Management (Certificate /Diploma)</li> <li>•Early Childhood Development (Certificate/ Diploma)</li> <li>•B.Ed. (Secondary) Semester II</li> </ul>		
5.	AD program, at KIU Diamer Campus	--do--	--do--
6.	B.Ed 1.5 program at KIU Diamer Campus.	--do--	--do--
7.	B.Ed 2.5 program at KIU Diamer Campus	--do--	--do--
8.	B.Sc. Civil Engineering program from Fall- 2023 subject to the approval of Pakistan Engineering Council.	January 19, 2023	36th Academic Council
9.	PhD Program in Human Nutrition and Dietetics at Department of Agriculture and Food Technology.	January 19, 2023	36th Academic Council
10.	MS Program in Human Nutrition and Dietetics at Department of Agriculture and Food Technology.	--do--	--do--
11.	MS Program in Management Sciences, at KIU Hunza Campus	--do--	--do--
12.	B.Ed (1.5yr) program under the Department of Educational Development at KIU Ghizer Campus	--do--	--do--
13.	MS Program in Education, at KIU Ghizer Campus	--do--	--do--

### Faculty Workload Management:

During the specified period, the Directorate of Academics demonstrated dedicated efforts towards the rationalization of faculty workload, a crucial initiative undertaken in response to the university's financial crisis. Recognizing the need for careful resource allocation, the Directorate worked precisely to optimize faculty responsibilities, ensuring an equitable distribution of workload. The Directorate of Academics also focused on reducing the dependence on visiting faculty while ensuring the quality of the institution.

### UTRC Meetings for TTS Faculty:

Two UTRC Meetings were conducted during the specified period. These meetings were involved in reviewing faculty performance, tenure considerations, and strategic planning for the professional growth of TTS faculty members.

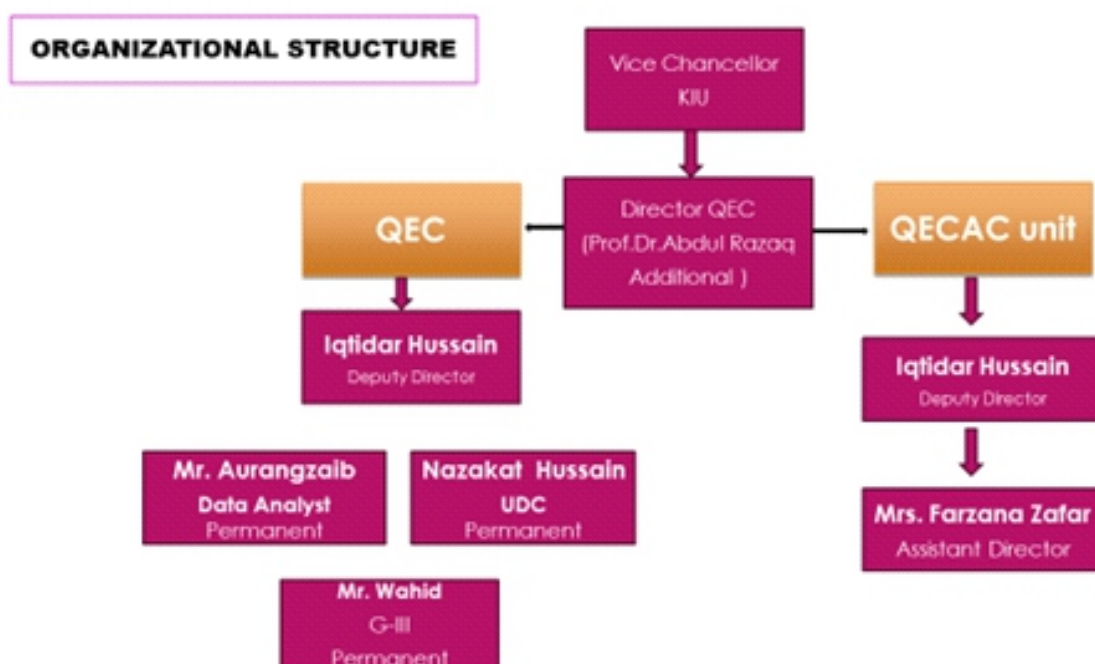

S. No.	Meeting Date
1	August 21, 2022
2	February 27, 2023

## 4. Quality Assurance

The Quality Enhancement Cell (QEC) of KIU has been actively engaged with capacity building of the faculty and staff, monitoring the quality parameters of various programs and operation in line with the Quality Assurance Agency of HEC and Accreditation Councils.

The academic programs of KIU, are periodically evaluated through internal and external assessments to ensure compliance with the national and international standards. The feedback is shared with the faculty and administration to initiate the corrective action plans.

Dedicated Quality Enhancement Cell for Affiliated Colleges (QECAC) has been established integrated in the structure of QECs to streamline and carry out activities aimed at improving the quality of education delivered by affiliated college.

### Function of Quality Enhancement Cell

#### QEC Main Campus

- Submission of Yearly Progress report (YPR)
- Institutional Performance Evaluation
- Self-Assessment Report writing & Review
- Accreditation
- Ph. D. Program Review
- MS/M. Phil & Equivalent Program Review
- Initiate NOC for Launching of New Program Level 7 & 8
- Plagiarism checking Plagiarism policy implementation.
- Annual/Semester based monitoring and evaluation including program monitoring, faculty monitoring and student's perception.
- Organizing Training/Workshop/Seminar

## QEC Affiliated Colleges

- A Unit responsible for Monitoring & Enforcing the Affiliation Requirements
- BS 4-years programs Affiliation
- 2-years Associate Degree program Affiliation
- Establishment of QEC Setup in affiliated colleges
- Inspection visit
- Introduce, implement & strengthen quality assurance framework of QAA-HEC in affiliated colleges (ACs)
- The QECAC will Establish QEC unit in each affiliated college.
- QEC is responsible for the review of academic affiliations with other institutions in terms of effective management of standards and quality of programs. For this, QEC has developed its setup in all its affiliated colleges.

Brief account of QEC activities is reproduced as under:

S #	Activity	FY-2022-23	Date
1	University Portfolio Report	Training & preparation	1 <sup>st</sup> July 2022-30 <sup>th</sup> June 2023
	Conduct Institutional Performance Evaluation (IPE)	Self IPE by External	13-15 June 2023
2	Self-Assessment Report writing	Training & preparation	1 <sup>st</sup> July 2022-30 <sup>th</sup> June 2023
	Self-Assessment Review of Academic Programs (SAR Review)	(Main Campus) Self-Review by External	16-17 June 2023
	Self-Assessment Review of Academic Programs (SAR Review)	(KIU Sub-Campuses) Self-Review by External	18-20 June 2023
3	Post Graduate Program Review (PGPR) MS/M. PHIL. /PH. D. (level 7 & 8) Initiate NOC for Launching of New Program Level 7 & 8	QAA Team HEC	25-26 November 2022
4	Accreditation of BS Programs	Main Campus (FY-2022-23)  KIU Sub-Campuses	10 programs Accredited. 2 Program are in Process  In process
5	Plagiarism	70 plagiarism Counter verification	No Plagiarism case Report
6	Organizing Awareness & Capacity Building Training/Workshop/Seminar		1 <sup>st</sup> July 2022-30 <sup>th</sup> June 2023

### INSTITUTIONAL PERFORMANCE EVALUATION

► University Portfolio Report (UPR): This report depicts the complete data of university from students to teacher. It shows university complete performance in numbers.

► Based on the UPR, HEI undergoes the Institutional Performance Evaluation (IPE); this is annual exercise for the evaluation of the university performance.

## Review Status of SAR Reports

S#	Program	No of Programs	No of Cycle	Period	Evaluation Date1
1	BS Programs (Main campus)	16	3 <sup>rd</sup>	2022-23	15-17 June 2023
2	MS/M. PHIL. /PH. D.	15	1 <sup>st</sup>		
3	BS Programs (Hunza Campus)	3	3 <sup>rd</sup>		18-20 June 2023
4	BS Programs (Guizer Campus)	3	3 <sup>rd</sup>		
5	BS Programs (Diamer Campus)	3	3 <sup>rd</sup>		
6	BS Programs (Affiliated Colleges)	2	1 <sup>st</sup>		

### MS/M. Phil & Ph. D t Program Review (PGPR) by HEC or Self Review:

Sr. No.	Name of Program	NOC Status	Total Number of Enrolled Students	Total Number of relevant Ph.D. faculty members	Date of Review
1	M.Phil Animal Sciencs	NOC Obtained	70	9	25 – 26 Nov 2022
2	M.Phil Plant Sciencs	NOC Obtained	55	7	25 – 26 Nov 2022
3	M.Phil Chemistrty	NOC Obtained	62	12	25 – 26 Nov 2022
4	M.S Environmental Sciencs	NOC Obtained	56	5	25 – 26 Nov 2022
5	Mphil in Food Sciencs & Technology	NOC Obtained	13	6	25 – 26 Nov 2022
6	MS Physics	NOC Obtained	27	6	25 – 26 Nov 2022
7	M.Phil Mathematics	NOC Obtained	72	9	25 – 26 Nov 2022
8	MS Geology (Earth Sciencs)	NOC Obtained	12	5	25 – 26 Nov 2022
9	MS Management Sciencs	NOC Obtained	33	11	25 – 26 Nov 2022
10	MS Project Management	NOC Obtained	104	11	25 – 26 Nov 2022
11	MS International Relations	NOC Obtained	5	68	25 – 26 Nov 2022
12	MS Economics	NOC Obtained	67	5	25 – 26 Nov 2022
13	M.Phil Education	NOC Obtained	83	9	25 – 26 Nov 2022
14	MS Urdu	NOC Obtained	22	3	25 – 26 Nov 2022
15	MS computer Science	NOC Obtained	24	6	25 – 26 Nov 2022
16	PhD Biological Sciencs	NOC Obtained	7	16	25 – 26 Nov 2022
17	PhD Chemistrty	NOC Obtained	0	12	25 – 26 Nov 2022
18	PhD Environmental Sciencs	NOC Obtained	1	5	25 – 26 Nov 2022
19	PhD Agriculture and Food Technology	NOC Obtained	2	6	25 – 26 Nov 2022
20	PhD Mathematics Sciences	NOC Obtained	1	9	25 – 26 Nov 2022

# ACCREDITATION

		National Computing Education Accreditation Council (NCEAC)	
1	Bachelor of science & Computer Science		Accredited
2	Bachelor of science & Information technology	National Computing Education Accreditation Council (NCEAC)	Accredited
3	Bachelor of science in Software Engineering	National Computing Education Accreditation Council (NCEAC)	Accredited
4	BS Agriculture (Major Food Technology Science & technology)	National Agriculture Education Accreditation Council (NAEAC)	Accredited
5	BS Agriculture (Major in Horticulture)	National Agriculture Education Accreditation Council (NAEAC)	Inprocess
6	BS Agriculture (Major Human Nutrition & Dietetics)	National Agriculture Education Accreditation Council (NAEAC)	Accredited
7	BS Forestry & Range Management	National Agriculture Education Accreditation Council (NAEAC)	Accredited
8	BS Mining Engineering	Pakistan Engineering Council (PEC)	Accredited
9	B.Ed Hons 4 year	National Accreditation Council for Teacher Education (NACTE)	Accredited
10	Master of education ( M.Ed)	National Accreditation Council for Teacher Education (NACTE)	Accredited
11	B.Ed 1.5 year4	National Accreditation Council for Teacher Education (NACTE)	Accredited
12	Bachelor of business administration	National Business Education Accreditation Council (NBEAC)	In process

## ACCREDITATION ACTIVITIES OF 2022-23

S#	Degree program	Council	Status	Date of visit
1	Bachelor of science & Computer Science	National Computing Education Accreditation Council (NCEAC)	Re-Accreditation Visit	15 November 2023
2	Bachelor of science & Information technology	National Computing Education Accreditation Council (NCEAC)	Re-Accreditation Visit	15 November 2023
3	Bachelor of science in Software Engineering	National Computing Education Accreditation Council (NCEAC)	Re-Accreditation Visit	15 November 2023
5	BS Agriculture (Major in Horticulture)	National Agriculture Education Accreditation Council (NAEAC)	Accreditation visit	June 19-20, 2023
6	BS Agriculture (Major Human Nutrition & Dietetics)	National Agriculture Education Accreditation Council (NAEAC)	Accreditation visit	June 19-20, 2023
7	BS Environmental Sciences	National Agriculture Education Accreditation Council (NAEAC)	Pre-Accreditation /zero visit	June 19-20, 2023
8	BS Mining Engineering	Pakistan Engineering Council (PEC)	Accreditation visit	26 December 2022
9	Bachelor of business administration	National Business Education Accreditation Council (NBEAC)	Accreditation In process.	29 May 2023

**FY-2022-23****Awareness seminars/conferences/workshops on QA (within DAI)**

1	Training Session on Learning Management System for affiliated Colleges	7 June ,2023	Both (Within and Outside DAI)
2	One Day International Conference on Reforms in Higher Education	12-Jun-2023	Both (Within and Outside DAI)
3	5 days Training Session for Teaching Champions	14-18 Nov 2022	Within DAI
4	MEASURING THE ECONOMICS OF HAPPINESS AND WELL-BEING		Within DAI
5	Workshop on "Technology Enhanced Learning"	25-28 July 2022	Within DAI
6	Training Session for visiting faculty on EFFECTIVE TEACHING	12-16 Sept 2022	Within DAI
7	Teaching & Learning Enhancement Workshop (TLEW) -as Instructional Skills Workshop organized by Aga khan university	1-3 March-2023	Both (Within and Outside DAI)

گلگت: KIU میں پانچ روزہ ٹیچنگ چیمپئن ورکشاپ کے اختتامی تقریب کے بعد شرکاء کا وائس چانسلر KIU پروفیسر ڈاکٹر عطاء اللہ شاہ کے ہمراہ گروپ فوٹو۔

### Contributions and Participations of QEC Staff in Event (2022-23)

Sr.	Name of Event	Level of Activity	Participation & Contribution Status	Date
1	Student Support Services Annual Capacity Building & Knowledge Sharing Summit	National	Participation	26-28 July 2022
2	Establishment of Quality Enhancements Cells for Affiliated Colleges	National	Participation and Contribution	1 Sep 2022
3	Diversifying Financial Aid resources: Best Practices in fund Raising USAID, s Higher Education System Strengthening activity	National	Participation and Contribution	January 31- February 3, 2023
4	Students Support Services Annual Summit USAID, s Higher Education System Strengthening activity	National	Participation and Contribution	June 20-23, 2023
5	Shadow Visit of QEC TO AKU (Review of AKU Quality Framework)	National	Participation and Contribution	January 3- 6 2023

## Plagiarism

- ▶ QEC plays a crucial role in ensuring the authenticity of research conducted by graduate students (MS/Ph.D.) by counter-verifying plagiarism before their external/viva or defense examinations.
- ▶ Upon successful verification, QEC provides certificates for the research work to both students and faculty in the field of research, specifically for MS/Ph.D. research projects and research papers.
- ▶ Additionally, QEC actively participates in all meetings, seminars, and workshops related to the topic of plagiarism.

## Teacher's Performance & Evaluation Implemented

1. HEC Proforma 10 (Teacher Evaluation) on **LMS**
2. Faculty Course Review Report (At the end of course completion)
3. Student's Course Evaluation on **LMS**
4. Graduating Survey on **LMS**
5. Alumni Survey
6. Employer's Survey
7. Faculty Survey
8. Classroom Observation at Mid of Semester on **LMS**
9. Course File
10. Qualification framework

## LIST OF GOVERNMENT SECTOR COLLEGES AFFILIATED WITH KIU

S#	Name of college	Location	No. of Students
1	<b>Fatima Jinnah Women Degree College</b> (AD Sociology, Psychology, Zoology)	<b>Gilgit</b>	<b>500</b>
2	<b>Govt Girls Inter College</b> (AD Education)	<b>Yasin, Ghizer</b>	<b>35</b>

## One Day International Conference on Reforms in Higher Education

June 12, 2023

Karakoram International University,  
Gilgit-Baltistan

Engr. Prof. Dr. Attaullah Shah  
Vice Chancellor, KIU

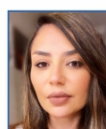

Prof. Dr. Shafiq-ur-Rehman  
Advisor HED, KPK

Dr. Imran Rana

Dr. Rhonda Farrel

Dr. Randa Diab-Bahman

Imranullah Marwat

Dr. Jahangir Khan

Dr. Anil Khamis

Dr. Abdul Hameed Lone

Prof. Dr. Abdul Razaq

One Day International Conference on "Reforms in Higher Education"

## Strengthening of Affiliated Colleges

## 5. Research and Innovation

### Office of the Research Innovation and Commercialization (ORIC):

#### Vision

To achieve excellence in marketable research by leveraging on novel ideas, technology and entrepreneurial spirit.

#### Mission

ORIC is committed to promote, offer and commercialize high quality, credible, innovative and research-based solutions to the local problems by integrating technology, entrepreneurial spirit and mutual collaboration with stakeholders while maintaining higher ethical standards.

#### Objectives:

- i. Establish and maintain/strengthen a research culture at KIU, with focus on the problems and challenges faced by the region.
- ii. Inculcate the spirit of innovation and entrepreneurship among KIU researchers, both faculty and students, through their capacity building, showcasing of the research findings and transforming it to products and services.
- iii. Contribute to the knowledge Economy objectives of the vision of Pakistan by commercializing these research products /service/solutions both at national levels and international levels.
- iv. Strengthen the relationship with the research institutions, industry and business community and society of the region and globally
- v. Develop Capacity Building programs for the faculty, staff, students and external stakeholders in the areas of research, innovation and commercialization.
- vi. Provide consultancy services to the private, public and non-governmental organizations for scientific endeavors, addressing problems of capacity building, strengthening new businesses and industry etc.
- vii. Contribute its share to the financial sustainability of KIU

#### Services:

The following services are offered at ORIC (Directorate)

- i. Raising funds for research & development
- ii. Providing information to faculty about the available research grants
- iii. Linking faculty with relevant industry
- iv. Assistance for faculty in patent filing and licensing
- v. Research database management
- vi. Assessing patentability by working closely with patent counsel
- vii. Assisting faculty and students in starting companies
- viii. Offering consulting services to various stakeholders
- ix. Bridging industry and academia

#### Centres under ORIC

- i. CELL FOR RESEARCH AND DEVELOPMENT (CRD)
- ii. CELL FOR COMMERCIALIZATION (CFC)
- iii. CELL FOR INNOVATION & INTELLECTUAL PROPERTY RIGHTS (CIIPR)
- iv. BUSINESS INCUBATION CENTER (BIC)
- v. ORIC CONSULTING CELL

## Commercialization Plan of KIU Patents

## Research collaboration (Triple Helix Approach)

### Snow Avalanche Harvesting

### Development of Ice Stupa in Hyderabad Nullah Hunza-For Water supply

## 6. Students

Students are the real assets of the University and providing them with quality education, research and services are one of the top priorities of KIU. The students' enrolment has been doubled in the last 5 years from 4200 to more than 9500, which shows trust of the students and their parents & employers in the quality and supports of KIU.

The current students' data shows that KIU has been attracting and nourishing larger number of female students in the region and today more than 50% students are females. Hence KIU proves a favored institution for the female students of the region. The students' data is shown in Table:

## 7. Students' Developmental Activities

OFFICE OF THE PROVOST

Karakoram International University, Gilgit-Baltistan (KIU)

(MAKE KIU A FAMILY OF PEACEFUL DIVERSITY)

### Progress Report - 2022

#### Vision

- To promote the success of students at the KIU by providing enrichment programs, counseling guidance, orientation and support.
- To facilitate extra-curricular activities amongst the students community through students clubs and societies.
- To make KIU a place where we can join hands together and accept one another regardless of color, ethnicity, and religion or sect.

## August 14<sup>th</sup> ,2022 (Independence Day)

The Provost Office has arranged a beautiful program on the Independence day the 14 August,2022, in main Admin Block, where the Vice Chancellor and Provost made speeches on account/importance of Independence of our country. Students celebrated the day with national songs.

## August,17-19 (Career Feast)

## August, 19<sup>th</sup> ,2022 (Climate Change Workshop)

## September 5th, 2022 (Flood Relief Activities)

**KIU Flood Relief Donation Drive**

Join hands with us to help our brother's & sisters in this natural disaster activities...

This fund will be administered by Provost Office KIU

## 9. Finance

The Financial Year 2022-23 brought many challenges in terms of low Government allocations and increase in operational cost due to increase in Employees Related Expenses (ERE). The non-release of any financial support from provincial Government of GB, further added to these challenges. Some of the major facts are given as follows:

### Current Challenges:

- The total Operational Budget increased from Rs. 755 Million in 2018 to Rs. 1340 Million in 2022-23 and Rs. 1500 Million in 2023-24 almost doubled.
- Increased Employees Related Expenses from 550 Million in 2018 to Rs. 934 Million in 2023 and Rs. 1150 Million in 2024 (Net Increase by 600 Million)
- Increase by HEC from Rs. 330 Million to Rs. 440 Million (Net increase Rs. 110 Million), hence a net burden of Rs. 490 Million shifted to KIU
- Reduction in External Exam Revenue of KIU Board from Rs. 180 Million in 2018 to Rs. 63 Million in 2023 (Net loss of Rs. 120 Million)
- Sub Campuses Net Loss of Rs. 60 Million, after shifting their entire liability from July 2022 to KIU
- Fee Default Rs. 60 Million due to non-payment
- All these challenges added burden of  $\text{Rs. } 490 + 120 + 60 + 60 = \text{Rs. } 730$  Million in 5 years

### Positive Side:

- Students Body increased from 4200 to 9500
- Fee Revenue increased from Rs. 180 Million to 480 Million in 5 years
- Market oriented new programs started
- KIU Graduate School started which generated income of Rs.60 Million and improved the research productivity of University
- Non salary expenses reduced from 48% to 28% of total budget
- Expenses of TA/DA, PoL, Stationery and Heating Charges controlled

### Financial Year 2023-24 more Challenging:

- Salary and other increases of allowances announced by Federal Government- Likely to increase the Employee Related Expenses to Rs. 1150 Million (from 550 Million in 2018 and 934 Million in 2023, will increase to 1150 Million)
- HEC allocation static rather reduced to Rs. 430 Million
- Expected Total Budget/ Expenses of KIU for 2023-24 at Rs. 1450-1500 Million at min
- KIU need to generate Rs. 1020 Million from own resources.
- Aggressive approach for Financial Sustainability required at all level and everyone needs to play his/her role.

### Total Revenue Plan (Challenging but Possible)-For 2023-24

- HEC Allocation: 430 Million
- Own Resources: Rs. 1000 Million
- Additional HEC Allocation: Rs. 50 Million
- Provincial Government: Rs. 200 Million
- Other Revenue from external funds: Rs. 50 Million
- Total Revenue: 1730 Million

### Revenue Generation Initiatives:

- Strengthening of existing Programs
- New market oriented programs
- Self-Finance Seats in demanded programs
- Non degree programs (Certificates, Diplomas on revenue sharing basis)
- Strengthening of Open and Blended Programs
- Strengthening of Commercial Activities
- Strengthening of affiliated colleges Revenue
- Strengthening of ECD/Business Incubation/ORIC/IPD Units
- External Stakeholders Revenue Generation

### Three New Funds Planned

- Endowment/Strengthening of Endowment Fund
  - Generate additional resources for long term sustainability of KIU
- Development Fund
  - For strengthening of Physical and IT Infrastructure of University
- Students Assistance Fund
  - For assisting the underprivileged and Orphan students to continue their studies

### Cost Saving Initiatives

- Cost Accounting of all operations to cut costs
- Discontinuing costly operations
- Reduce deficits from departments and Units
- Reducing visiting faculty to zero or min level.
- Reducing TA/DA by 50%
- Reducing other charges by 30%

### Reducing Visiting Faculty Burden

- Dean/HoDs to work with faculty to reduce the burden of visiting faculty to zero
- All Management Staff with mater degrees to teach at least two courses
- All servicing staff with master degree to teach two courses
- The following team to develop the plan before start of the classes:
  - Deans/Associate Deans
  - Director Academics (Focal Person)
  - Director QEC
  - Registrar
  - Dir HR

*Every morning in Africa, a gazelle wakes up.  
It knows it must run faster than the fastest lion or it will be killed.*

*Every morning a lion wakes up.  
It knows it must outrun the slowest gazelle or it will starve to death.  
It doesn't matter whether you are a lion or a gazelle:  
when the sun comes up, you'd better be running.*

## 10. Physical and Technological Infrastructure

### Technological Infrastructure

Information Technology (IT) department of KIU was established in 2007 under an umbrella project of HEC, titled “Establishment of IT and Network Infrastructure”. The purpose of the establishment of this important department is to ensure the availability of automated systems and latest computing & modern ICT tools for the faculty and students. KIU's IT infrastructure includes CMS/LMS, Web-Portals, campus network connectivity (via fiber, UTP and Smart University Wi-Fi), computer labs that allow faculty / students to easily access the Internet, digital library (e-books, e-journals, etc.), voice communication system and AV teaching tools in classrooms.

#### Provided Services, resources and facilities:

##### Pakistan Education Research Network (PERN)

Provided high-speed internet bandwidth (400Mbps) to facilitate the research, academic, e-Learning and student support services under PERN.

##### Data Center:

Revamped the existing server room into tier-3 Data Center, in order to provide reliable IT services within the campus.

Purchased 03 new servers for Cloud based hosting services.

##### Smart Classroom

A smart classroom with a capacity of 30 seats has been established in collaboration with the HEC. This facility is equipped with state-of-the-art technology, including interactive smartboard/HD LEDs, and integrated audio-visual systems.

##### Access to genuine Microsoft software

IT department is providing genuine Microsoft software licenses at free of cost to faculty, staff and students under PERN agreement. These software includes, OS (Windows 10, 11), Office 365, Windows server and other office version.

## Physical Infrastructure and Developmental Projects

### Infrastructure Development Projects Status Report during July 2022 to June 2023:

#### Construction of boys hostel (PSDP) project

200 student capacity hostel was completed in June 2022. However, well-furnished building handed over to estate care department during the reported period. The completion cost of the project 261.00 million.

#### Sports gymnasium (PSDP) project

A well-equipped sport gymnasium was completed June 2022. However, made operational during the reported period. The completion cost of the project is Rs. 101.00 million.

#### Establishment of Engineering Faculty at KIU (PSDP) project

Partial (75 %) construction work of the building has been completed. well-equipped labs established by purchasing lab equipment and made functional by starting the Mining Engineer, Civil Engineering Technology and Electrical Technology programs. Currently more than 200 students enrolled in these three programs reporting period and remaining work of the building and purchase of lab equipment is in progress. Till Now June 2023 Rs. 705.00 million has been utilized.

#### Construction of SKI and Tourism sport center (PSDP) HEC Umbrella Project

The construction of the project was started in June 2022 and will be completed in June 2024. The approved cost of the project is 100.275 million

#### Construction of academic Block (Self-Financed) project

Construction of academic block phase-ii has been completed during the reported period with a cost of Rs. 46.00 million. The project consists of 9 classrooms at ground and a hall on the first floor. Where US embassy has established Lincoln in a portion of the hall.

## 11. Karakorum International University Business Incubation Centre

### Induction of the first Batch of Incubates

The following university students were inducted in the first incubation program at BIC:

S/No	Name	Department	Business Idea
1	Afaq Ahmed Khan	Business Management	Apricot Incorporation
2	Anita Sher	Business Management	Cotton Products
3	Nazia Hussain	Biology	North Land Foundation
4	Didar Alisha	Food Technology	Walnut Oil
5	Khalida Shaheen	Behavioral Sciences	Fresh Organic and Preserved food
6	Sajjad Afzal	Business Management	Fruit toffee
7	Salman Tasir	Business Management	Prime Trade Solutions
8	Nadeem Arif	Economics	Baltit Jount mount Camp
9	Nafeesa Ali	Food Technology	Tomato Paste Preservations
10	Waqas Ahmed	Business Management	Sustainable harvesting of Herbal Plants
11	Amir Hayat	Economics	Woolen Cartage

## BIC SUCCESS STORIES

### THE INSPIRING STORY OF IZZAT BIBI

#### IZZAT BIBI (CO-FOUNDER AND CEO CHAKR.COM)

We are thrilled to share the success story of our proud Incubate Izzat Bibi, the co-founder and CEO of Chkar.com, she launched her startup in May 2018 as Chkar Lodging and Experiences. Chkar.com is an online marketplace that connects tourists with locals, allowing them to rent spare rooms or entire places. It addresses the lack of reliable local platforms for booking home or vacation rentals in Pakistan. Through Chkar.com, travelers can experience a "home away from home" by staying with local families, individuals, or couples. Izzat Bibi's entrepreneurial journey started after her master's degree in Physics, and she successfully transitioned into the tourism industry by leveraging her skills and passion. Chkar.com has revolutionized the Pakistani hospitality industry by utilizing technology and empowering locals to monetize their unused spaces. It has become a leading platform, offering reliable stays and contributing to the local economy.

### Empowering Women Artisans: The Inspirational Journey of Injleen Fatima

Injleen, the founder of Leeza Crafts, discovered a world of opportunity through the Business Incubation Centre (BIC) at KIU. As a housewife with a passion for entrepreneurship, Injleen seized the chance to turn her business idea of handicrafts into a reality. With the support of the BIC team, she received invaluable training and workshops, empowering her to uplift other women facing socioeconomic challenges. Injleen's venture has now grown to involve a network of 250 talented artisans. Each woman earns an average of 30,000 rupees monthly, while Injleen achieves a remarkable net profit of 1 lac monthly. Through her craft creations such as cross-stitched cushions, wall hangings, and handmade bags.

BIC played a massive role in Injleen's success and gave her an amazing opportunity of a month-long entrepreneurial visit to Oregon State, USA. The experience broadened her horizons, establishing valuable business connections and enhancing her craft designs.

## The Apricot Incorporation: Afaq Ahmed's Path to Entrepreneurial Triumph

Afaq Ahmed, the founder of The Apricot Incorporation, is filled with excitement for the future as he reflects on the remarkable growth of his business in just four years. He attributes his success to the invaluable support he received from the Business Incubation Centre (BIC) at Karakoram International University in Gilgit. Afaq had always harbored a dream of pursuing something unique in his life. During his final semester of graduation, he studied entrepreneurship, which sparked his desire to start his own business. While his friends were busy preparing their CVs, Afaq took a different path and registered with the BIC after coming across a banner that read "Be Your Own Boss." He visited the BIC and shared his idea of promoting locally dried fruits and enhancing their quality by using dryers to eliminate dust. The BIC not only provided Afaq with various training and mentoring opportunities but also offered him a physical space that served as a launching pad for his business. Through the BIC, Afaq participated in several business plan competitions, which further bolstered his commitment to his entrepreneurial idea. With the support of two other partners and 50 local farmers from Gilgit and Skardu, Afaq is now successfully operating in the market, offering delicious and high-quality dried fruit products.

According to Afaq, the BIC played a pivotal role in shaping his career path and provided unwavering support throughout his entrepreneurial journey. Their guidance and assistance have been instrumental in transforming his business into a thriving venture. Afaq expresses his gratitude and acknowledges the BIC's contribution to his success.

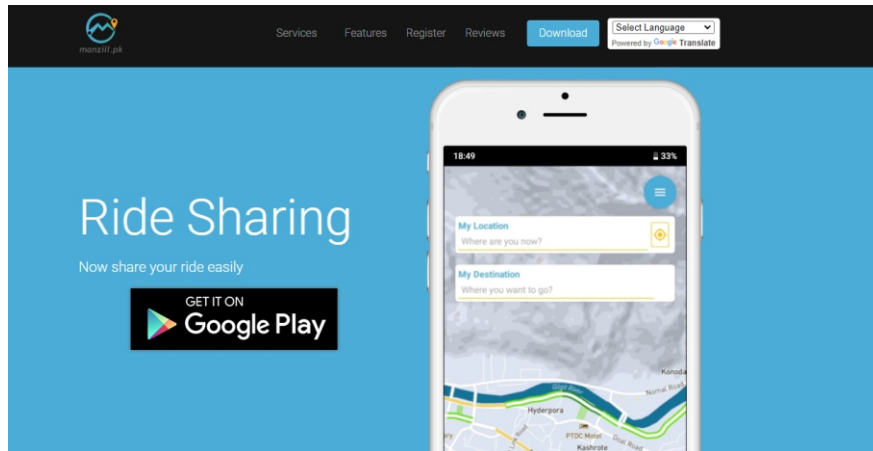

## Empowering Women Digitally (The Story of Zahra Noreen co-founder SHEDEV)

SheDev is the graduate of the incubation center from the first cohort and they are currently located in the Incubation Centre with more than 25 employees. SheDev is the first-ever women-led and owned tech company of Gilgit-Baltistan. SheDev emphasizes women's empowerment by providing a platform for women to learn tech skills and earn remotely or in the office. It is a platform that digitally empowers women and provides them with opportunities to enhance and monetize their digital skills. The aim is to connect women to the technologically advanced world

thus providing them with financial stability via atypical methods of learning and earning. Moreover, it is also a place for women to break stereotypes and excel in the field of technology.

## The Inspiring story of Aqeel Ahmed Co-founder Manzil.pk

Manzil. pk is an innovative Android-based ride-sharing application that revolutionizes the way people commute by connecting those who are willing to share their rides, such as bikes and cars, with individuals in need of affordable transportation. This ground-breaking platform was brought to life with the support and guidance of the Business Incubation Center (BIC).

The BIC played a crucial role in shaping Manzil. pk's business model and providing the necessary resources to launch and scale the platform. Their support included mentorship, access to networking opportunities, business development training, and technical assistance.

Manzil.pk has quickly gained popularity and has become a go-to choice for cost-effective and convenient transportation solutions. By fostering connections between ride providers and seekers, the app creates a community-driven approach to transportation, benefiting both users and the environment.

## Towards Tech Incubation

Based on the initial successful results, KIU entered into a partnership with National Expansion Plan of NICs, a project of Punjab Information Technology Board (PITB) and Ministry of IT & Telecom, to build the first and the largest technology incubation centre in Gilgit-Baltistan, located in the main campus. With the technical support of Special Organization Communication (SCO) and PITB, this initiative turned out to be successful example of its own kind by creating an integrated ecosystem for tech start-ups from all over GB.

- Since April 2021, 1035 start-up applications have been received, out of which 46 were incubated.
- Among the incubated ideas, 14 are female led start-ups.
- O4 cohorts are graduated so far, created 400 plus jobs, and earned approximately 30 million plus in revenue in one year.

## KIU MICRO-ENTERPRISE DEVELOPMENT PROGRAM

The KIU Microenterprise Development Program is an innovative and transformative initiative introduced by KIU BIC. Its primary objective is to inspire and empower students by providing them with the essential knowledge and skills required to thrive in the realm of entrepreneurship. This comprehensive program is meticulously designed to familiarize students with the dynamic and exciting world of micro-enterprises. It offers diverse tools and resources that are indispensable for launching and sustaining their own business ventures. Our activities include mentorship sessions on the Business Model Canvas, in addition to personalized mentorship within each department to assist students in developing viable business concepts.

This MED program has been featured by HESSA Program(Higher education system strengthening Activity) as the best among the sixteen public sector universities in Pakistan.

In a groundbreaking collaboration, the BIC-KIU joined hands with the Aga Khan Rural Support Program (AKRSP) to provide microgrants to 08 student led micro-startups here each of the start-ups are getting three hundred thousand rupees from AKRSP. The induction process has been successfully completed and the start-ups have received the first installment from AKRSP.

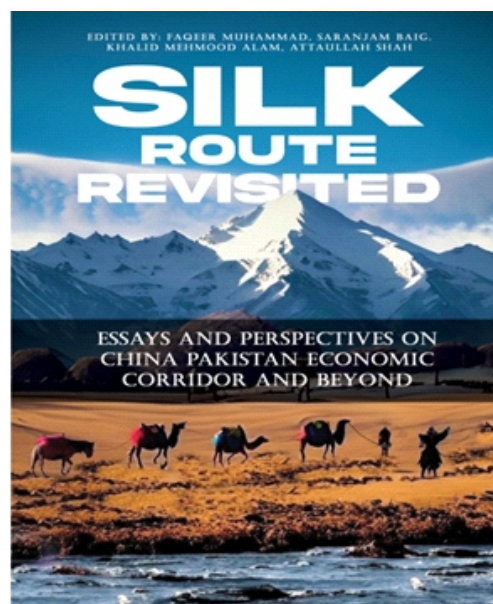

The China Study Centre (CSC) at Karakoram International University (KIU) is one of the six such centres funded by the Higher Education Commission (HEC), Government of Pakistan. CSC frames the core objectives to value the foreseeable consequences of the establishment of this Centre with special reference to the benefits that will be achieved from creating a social space, which facilitates study and research on diverse arts, culture, history and polity of China, GB-Pakistan and surrounding mountainous region. Hence, there is a deep understanding that the study or promotion of culture, history, society and polity is a shared objective of proposed China Study Centre at KIU and other partner institutions. The major events of the CSC are given below:

### Book Publication

China Study Centre-KIU has published second book titled

*“Silk Route Revisited: Essays and Perspectives on China Pakistan Economic Corridor Beyond”.*

### Chinese Language Course

### Cultural Activities

International Chinese Language Day:

The China Study Centre (CSC) celebrated international Chinese Language Day at Karakoram international University, main campus on May 16, 2032, with the full participation of the Vice Chancellor Engr. Prof. Dr. Ata Ullah Shah, teachers, and students. The main objective was to further strengthen the Pakistan-China friendship, spread the Chinese language, highlight the historical importance of the Chinese language. The main factors which support Chinese language becoming a global language are China's geopolitical importance, the large number of Chinese speakers around the world, and China's economic power and influence in the world.

The China Study Centre (CSC) at Karakoram international University celebrated a Mid-Autumn Festival (中秋节) on September 12, 2022. The main objective of the event was to acquaint the participants about the importance of Mid-Autumn festival and enhancing cultural exchange between the two friendly countries. Mooncakes are the specialty food for Mid-Autumn Festival. Their round shape and sweet flavor symbolize completeness and sweetness. At the Mid-Autumn Festival, people eat mooncakes together with family, or present mooncakes to relatives and friends, to express their love and best wishes. An interesting video was also shown to the participant to highlight the significance of the Mid-Autumn Festival and how people celebrate it in China. Specially prepared mooncakes, the first time introduced in Gilgit-Baltistan, were presented to all the participants and guests and they liked the delicious mooncakes.

This event has been generously supported by the Embassy of the People's Republic of China in Pakistan. We are deeply grateful to their ongoing support and cooperation with China Study Centre – Karakoram International University. National Anthems of both the countries were played and an interesting video was also shown to the participant to highlight the significance of the Chinese National Day and how people celebrate it in China. Dr. Alexander Wang, Director of the Center for China's Overseas Interests from Shanghai International Studies University participated in the event as special guests.

The China Study Centre (CSC) organized Chinese Food Gala at Karakoram international University, Hunza Campus on October 04, 2022. The main objective of this event was to familiarize the participants about importance of Chinese food and enhancing cultural exchange between the two friendly countries. This event mainly focused on dumplings, noodles and how to use chop sticks. The worth Vice Chancellor Engr. Prof. Dr. Ata Ullah Shah along with Dr. Alexander Wang, Director of the Center for China's Overseas Interests from Shanghai International Studies University participated in the event as special guests.

### Dumplings and Chopsticks

The China Study Centre (CSC) organized a Chinese Food Cuisine (dumplings and chopsticks) at Karakoram international University, main campus on May 16, 2032. The main objective of this event was to familiarize the participants about importance of Chinese food and enhancing cultural exchange between the two friendly countries. This event mainly focused on how to prepare dumplings, and how to use chopsticks. The worthy Vice Chancellor Engr. Prof. Dr. Ata Ullah Shah, faculty, management staff and large number of students attended the event.

### China Pakistan Friendship Day Celebration

The China Study Centre (CSC) at Karakoram international University celebrated the China-Pakistan Friendship Day on May 30, 2023. The event started with the National Anthems of both the countries. Songs and documentaries related to Pak-China Friendship were also played during the event. On this occasion, Associate Dean of Social Sciences Dr. Tasawar Rahim Baig, and Director China Study Centre Dr. Faqeer Muhammad said that CSC at KIU is promoting the Chinese language, ecology, culture, and values in the region. "Being all-weather friends, we need to understand each other's culture and languages; we are sending our students to China for higher education and research who are also promoters of Pakistani culture in China".

### **Cheques distribution ceremony of “China-Pakistan Friendship–Chinese Ambassadorial Merit-cum-Need Scholarship.”**

The China Study Centre (CSC) and KIU International Office at Karakoram International University organized a cheque distribution ceremony of “China-Pakistan Friendship–Chinese Ambassadorial Merit-cum-Need Scholarship” on August 25, 2022. The scholarship is generously funded by the Embassy of the People's Republic of China in Pakistan. This event was largely participated by the scholarship awardees, KIU Leadership, Faculty, and management staff. His Excellency Mr. Nong Rong, the Ambassador of the People's Republic of China to Pakistan has kindly addressed the audience Virtually. During his speech, His Excellency the ambassador congratulated the scholarship awardees and praised the efforts of the leadership of Karakoram International University (KIU) for providing opportunities in higher education and research in the region and pledged to continue supporting and working with KIU in future. His Excellency highlighted the importance of Karakoram Highway (KKH) in bringing socio-economic development of Pakistan and the steadfast friendship and cooperation between the two countries.

### **Session on International Chinese Language Teacher Scholarship**

The China Study Centre (CSC), KIU International Office and Confucius Set-Institute of professional development at Karakoram International University organized a session on International Chinese Language Teacher Scholarship on April 18, 2023. This event was largely participated by the students, KIU Leadership, Faculty, and management staff. Professor Zhou Chang Ming, the Director of the Confucius Institute at University of Agriculture Faisalabad has kindly addressed the audience Virtually. In his speech, Professor Zhou Chang Ming first expressed his gratitude to the Vice Chancellor Engr. Professor Ata Ullah Shah, Deans, faculty, and students for attending the session, and paid tribute to their long-term support.

## Lincoln Corner KIU

## National and International Collaboration:

### International Collaborations

Karakoram International University has academic collaborations with a multitude of universities worldwide, with a notable emphasis on cultivating strong ties in China. Additionally, the university takes pride in its active participation as a member in various prestigious university consortia. During the reporting year, the leadership of KIU made commendable efforts in promoting KIU at international stage and inked academic collaborations with a diverse array of universities and research institutions globally. Here is a brief snapshot of some of these efforts:

1. A delegation from KIU, lead by Vice Chancellor and accompanied by Dr. Sartaj Ali (Chair, Department of Agriculture & Food Technology), Dr. Sajjad Haider (Director International Office) and Dr. Ashfaq Ahmad (Assistant Professor, Department of Forestry & Range Management) participated in Education Plus International Vocational Education Conference 2023. The conference was arranged by the International Cultural Communication Center Malaysia (ICCCM) and held in Changsha, China on August 15, 2023. The Conference theme was the joint development of national vocational education standards and national qualifications frameworks – collaborative projects with China, Pakistan, Gambia, Sierra Leone, Rwanda, and Pakistan. The Vice Chancellor KIU also participated in the high-level dialogue and panel discussion on promoting Technical and Vocational Education and Training (TVET) in the partnering countries. He emphasized making synergetic efforts, collaborations and cooperation in expanding TVET in China, Pakistan, Gambia, and Sierra Leone.
2. KIU delegation lead by Vice Chancellor also visited Yunnan Forestry Technological College (YFTC), Kunming China and held detailed meetings with the president, deans and senior management of YFTC for forging academic partnership and collaboration in various areas of mutual interest. Both institutions agreed for student exchange programs (2+1+1 model) whereby students of Horticulture and Forestry departments of KIU will study one year in China.
3. KIU team also visited Kunming University of Science and Technology and met with the senior officials of the International Exchange for collaboration in various areas. The VC KIU also met with the doctoral students from KIU and Gilgit-Baltistan currently studying in Kunming and urged them to contribute in knowledge generation and research in their respective fields.
4. KIU team under the leadership of Vice Chancellor visited the Kashgar University for academic collaboration and met with the President and leaders of the Kashgar University on August 21, 2023. The leaders of both universities have agreed to forge a meaningful cooperation and collaboration in various areas including initiating joint research projects, faculty and student exchange and cultural exchange etc.
5. The Vice Chancellor KIU, Director China Study Centre, Director KIU Hunza Campus and Director International Office participated in the 6th International Cross-Border E-Commerce Forum in Kasghar on August 20~21, 2023, jointly organized by the Huazhong Agriculture University and Kashgar Regional Bureau of Commerce and Longnan E-Commerce Development Bureau in collaboration with KIU.
6. The Vice Chancellor, Prof. Dr. Attaullah Shah participated in 2023 Forum of University Alliance of Belt and Road (UAB&R) held at Lanzhou University on April 27, 2023.
7. Dr. Faqeer Muhammad, Director China Study Centre participated in South and Southeast Asian Universities Network, in Yunnan on September 23~24, 2023.

### Memorandum of Understandings (MoUs) with International Universities

Believing in internationalization and fostering a culture of learning from each other's strengths and experiences, KIU has Memorandum of Understandings (MoUs) with numerous universities

around the world for academic collaboration:

1. KIU signed MoU with the Huazhong Agriculture University, Wuhan China on August 20, 2023 at Kashgar China for academic collaboration, promoting entrepreneurship and cross-border e-commerce in the region.
2. KIU signed MoU with the Yunnan Forestry Technological College at Kunming China on August 17, 2023 for student exchange program. Initially students from two departments – Horticulture program of the Department of Food & Agriculture Technology and students from the Department of Forestry will study one year in China in third year of their degree program and study their final semester at KIU. This will significantly enhance their knowledge and exposure and provide them with hands-on experience in their respective fields.
3. Yet another significant leap in internationalization of KIU was to sign MoU with the University of Malaya (UM), Malaysia on August 8, 2023 for joint research projects such as sustainable development, renewable energy, and healthcare, organizing joint conferences, and seminars to promote academic exchange and facilitating faculty and student exchange programs for mutual learning and knowledge sharing.
4. KIU and Universiti Telekom SDN BHD (USTD), Kuala Lumpur, Malaysia, also known as the Multimedia University (MMU) of Malaysia signed MoU to collaborate and cooperate in areas of mutual interest, including jointly organizing conferences, seminars and other educational endeavors, joint research and innovation, joint efforts to create and disseminate knowledge, entrepreneurship and internship opportunities for students, short trainings and capacity building programs and faculty/ student exchange programs etc.
5. The Vice Chancellor KIU signed MoU with the President of Lanzhou University, one of a renowned university in Northwest China, during his visit to Lanzhou on April 27, 2023.

**Karakoram International University signed academic collaboration agreement with the Huazhong Agriculture University, Wuhan China on August 20, 2023.**

**Prof. Dr. Attaullah Shah, Vice Chancellor participated in the high-level panel discussion on TVET in Education Plus 2023 in Changsha, China.**

KIU signed MoU with the Yunnan Forestry Technological College for academic collaboration and student exchange on August 17, 2023.

KIU delegation led by Vice Chancellor visited the Kashgar City's mega project on international trade, commerce and supply chain system.
